

Become a JA Classroom Volunteer!

Junior Achievement (JA) is looking for volunteers to go into the 5th and 6th grade classrooms at West De Pere Intermediate. There are several openings for both grade levels and our goal is to give all students JA programming, but we need your help.

- No prior experience is needed.
- We train and give you all the classroom materials needed.
- Flexible classroom time...you work out the exact day and time with the teacher.
- You lead a classroom for 45 minutes, once a week for 5 weeks with a pre-designed curriculum we supply.
- If you want to share your experience with someone else and co-teach, you could also consider partnering with a colleague, spouse or neighbor.
- Still have questions? Contact Christine cwilliquette@javis.org or Laura lbelter@javis.org for more details.
- Please consider volunteering for JA at West De Pere Intermediate!
