Scholarship program – will be in spring. Dr. Finley will reach out to Schneider to confirm they will continue their annual scholarship donation.

Principal Messages – Mr. Marsden advised that leadership will be away at a conference the week of November 12th. Suggest moving the PTO to the 3rd Tuesday for November – November 19th. He said smart pass is going well, kids seemed to have picked up on the process rather quickly. Smart pass is the program they have been using at the middle school for tracking kids movements (i.e. need to use the restroom, forgot something in their locker, need to run to the office, library, etc.) and have recently implemented in the Intermediate school as well.

Open floor – nothing new

Internet Safety presentation – Huge thank you to our media resources for presenting and reminding parents to register for the Screenagers Film Series: tinyurl.com/wdpscreenagers.
