

Intermediate School Rube Goldberg Competition Group

Putting Toothpaste on a Toothbrush

What: Virtual Rube Goldberg Competition

Who: Any 5th or 6th grade student at the Intermediate School

When: Mondays, 3:00-3:45, STEM Room, March until May

How: Depending upon the number of students interested, we may have one team or multiple teams who will create a RG machine, record it, and submit for the competition in May

Requirements:

- Be able to attend most Monday worktimes
- Can stick with a project for a long time
- Willing to work with other people
- Not afraid to problem solve
