OFFICIAL MONTHLY NEWSLETTER

SEPTEMBER 2024

MR. MARSDEN'S MESSAGE

Mr. Scott Marsden, Principal

Welcome to the 2024-2025 school year!

It is hard to believe this will be our 4th year at the Intermediate School. We have been cleaning, prepping, planning, painting, and meeting to make sure we are all set for the start of the school year. The summer can get quiet, so we are very excited to have the building full of staff and students again soon.

This year we have about 570 students which means we will have 22 different classes of students. We seem to be growing just a little bit each year.

We also have the classrooms grouped into "Houses." You'll see the 5th-grade houses are all animals that are either local or have ties to Oneida and the 6th-grade houses reflect an industry or geographic feature important to our community. The house names give identity to the classrooms and make the school year more fun and memorable for everyone.

Our theme this year at the Intermediate School is "One -- Mind, Heart, Purpose, and Goal." The staff here at the IS works to make sure that we come together as one to make sure we are doing our best for each and every student. We want them to be prepared academically, socially, and emotionally so they excel at school, at home, and in the world.

We look forward to making 2024-25 an amazing year for the students, the staff, and all of the families!
